TO COMPARE IT TO SOMETHING
YOU'RE LIKE A SIGNAL
AND I'M AN ORDINARY PEDESTRIAN
THAT'S WHEN YOU
SUDDENLY, IN THE DARK, THE LIGHT TURNS RED
AND THE SIGNAL SOUNDS

WITNESSED DE△TH
THEN, ALL AT ONCE, IN △N INST△NT

A SAD, GENTLE GREEN
SIGNAL
THE SIGNAL TURNS GREEN
BUT
THEN
AS IF THE PEDESTRIAN NEVER EXISTED AT ALL, YOU MOVE ON
JUST LIKE
THE SIGNAL CAN'T SEE THE PEDESTRIAN

TRANSLATOR NOTES

In Japan, there are quite a few famous spots for suicide ~ The Chuo Line in Tokyo, Kegon Falls, Aokigahara, etc. Once a few people have offed themselves in the same spot, places tend to gain a certain notoriety.

Most Japanese suicides (especially jumpers) remove their shoes before the act...

He's reading difficult kanji for the dogs. Literally "everything is transient"
